

Question:

I have been burning Agarbatti in my house for a long time, every day. Somebody told me that Jinns come to the smell of it. I was wondering if you could please answer my question as I already have a Jinn problem in the house and its seems to have gone worsser.

Answer:

Putting any item (like Agarbatti, Ood, perfume, etc.) which gives good smell at home is good and it does not attract Jinn at all. If you think that you already have a Jinn problem, you recite Sura Falaq and Naas and enlighten your home with Quran recitation. Wassalam.
