

Question:

A person enquires that he has been living in an environment from childhood, where he never got an opportunity to learn Arabic or Urdu. He asks whether by reading the Quranic translation, he can get the same blessing as he would if he knew Arabic reading.

Answer:

Those who don't know Arabic and cannot recite the Quran in Arabic, then they should recite the translation and the meanings of it and they will get Sawaab. Regarding the amount of Sawaab, that depends on the Niyat and the Sincerity. More sincere intention gives more and more Sawaab. Sayyed Mohammed Musawi
