

Question:

The Jinns and men have the same obligation towards Allah. Why is that Jinns are kept in Ghaib?

Answer:

Jinns are invisible to us only. They are not invisible among themselves. They have their life and death; their family and society; their religion and belief. For example if a blind animal does not see human beings, it does not mean that human beings feel any trouble or discomfort. Likewise, if our eyes are not seeing the Jinns, it does not disturb the Jinns at all. -
